All teams will play an 18 game season, with the added potential for at least two playoff games (TBD at team rep meeting). A significant portion of games will be played on Sunday and Wednesday nights; however, to make up for the Sunday's we don't play we will have to play games on some Friday night's during the regular season to get all our games in. Any long weekends we need to play on will be voted on at the mandatory team rep meeting.

Every team registering for play this summer will be **GUARANTEED a spot in our 2023 Fall season!**
